**RE: Commissioners Fundamentals**

The Louisiana Housing Council is offering a new Commissioner Fundamentals Training. This training was developed by National NAHRO and offered to individual chapters in an effort to make it more affordable to individual agencies. It will be conducted by members of the LHC who were trained January 2011, as certified Commissioner Fundamentals Trainers. The three certified LHC trainers are: Fred Banks, Executive Director of Denham Springs; Ken Habetz, Executive Director of Crowley; and Katie Anderson, Chief Operating Officer of Lafayette.

The Commissioners Fundamentals was designed as a 12 hour course and must be followed exactly as indicated on the agenda and training material. Each participant will receive a Commissioners Fundamentals training manual and a certificate of completion. The cost of the course is \$400.00 per participant. The training will be offered to Commissioners and Executive Directors, though Executive Directors will not be allowed to participate unless one or more Commissioners from their agencies participate.

The LHC will bring the training to your agency or to a suitable training facility near you. You may agree to invite other agencies to participate in the training with your group. The size of the training class will be limited to 20 participants.

This effort by the Louisiana Housing Council is in cooperation with the HUD New Orleans Field Office and the Fort Worth Regional office to extend additional training to our 500 plus Commissioners who serve our Louisiana Public Housing and Section 8 Agencies.

If your agency has a need for excellent and affordable Commissioner Training, please advise our Service Office by contacting any of the following persons:
