

## **LHC DISTRICT B MEETING**

The LHC District B meeting was held December 15, 2010, at the Monroe City Housing Authority Section 8 Office. There were ten (10) present representing five (5) agencies and the main topic of discussion was EIV. Other issues that neighboring agencies were experiencing were also discussed like dealing with repayments issues, portability, utility allowance, etc. Following the discussions, refreshments were served and gifts were distributed by drawing numbers. Our goal is to continue to try and get other agencies involved in these quarterly meetings. At the next meeting, which is scheduled for March 16, 2011, at the Winnsboro Housing Authority, the topic of discussion will be administrative plans.
