

Capital Fund Program (CFP) Training

Detailed Guidance on Implementing CFP Requirements

This “live” online training course is designed to help public housing authorities (PHAs) understand the requirements of the Capital Fund Program. Training includes practical information and instruction regarding the implementation of the Public Housing Capital Fund Program Final Rule and the most recent HUD guidance.

Topics covered include:

- Eligible and Ineligible Activities and Cost Limits
- Decoupling of the Capital Fund from the PHA Plan Submission
- Replacement Housing Factor Grants (RHF) and Demolition and Disposition Transitional Funding (DDTF)
- Changes in Obligation and Expenditure End Dates and Close-out Requirements
- Emergency, Non-Presidentially Declared Natural Disaster, and Safety and Security Grant Program Requirements
- Streamlined Mixed-Finance, and other Public Housing Modernization and Development Requirements
- Changes to Demonstration Programs, such as RAD and MTW
- Capital Fund Rule Impact on Security Interests and Financing Activities

Who Should Participate: Executive Directors, Capital Fund Program Staff, Public Housing Property Managers, Financial Staff, Procurement Staff, Maintenance Directors, and Maintenance Lead Staff
