(For Section 8 and Public Housing)

The Housing Opportunity through Modernization Act (HOTMA) has made a myriad of changes to the Housing Choice Voucher Program and Public Housing. This class will view HOTMA from the lens of how it affects different program aspects from a micro and macro level. We will review the optional and required policy decisions PHA's will need to make to be in compliance with HOTMA. We will provide scenarios on how HOTMA will be changing the way we calculate, adjust and determine income and eligibility.

Focusing on the following 3 sections of HOTMA:

- Section 102 – Income Reviews
